

BACCARAT STRATEGY CARD

THE WHOLE STRATEGY IS ONE WORD

THE PLAY

- ★ Bet **Banker**. Every hand. That's it.
- ✗ Skip the **Tie** — it looks tempting and it's a trap.
- ◇ Ignore scorecards, “trends,” and streak systems. Every hand is independent.
- \$ Banker wins a touch more often — that's why it costs a 5% commission, and it's **still** the best bet on the table.
