

CASINO WAR STRATEGY CARD

THE SIMPLEST GAME ON THE FLOOR — ONE RULE

THE PLAY

- 1 Highest card wins. Simple as that.
 - 2 On a **tie**, you choose: go to **WAR** (match your bet) or surrender (lose half).
- ★ **Always go to war. Never surrender** — surrendering is the worse play, every time.
 - ✗ Skip the **Tie** bonus side bet — it's a sucker bet.

HOUSE EDGE

Always go to war	~ 2.9%
Surrender on ties	~ 3.7%
Tie side bet	~ 18%

REALITY CHECK

Fast and fun, but not a low-edge game. Play small, treat it as entertainment — there's no skill to grind here.
